

Robot Dog Prompt Sheet

Walk up to the laptop and start typing! Talk to the robot naturally.

Quick Start Guide

- **Type "help" for ideas** or **"quit" to exit** when done
- **To stop anything:** type **stop**, **rest**, or **sit down**
- **Robot confused?** Use shorter phrases first, then build up
- **Have fun!** Try silly combinations like "moonwalk then bow"

What You Can Try

Movement	Tricks	Social and Mood	Creative Routines
stand up	jump	say hi	do a dance routine
sit down	backflip	wave	morning workout
rest	front flip	high five	surprise me
walk forward	push ups	hug	act like a hero
walk backward	roll over	cheer	act sleepy
turn left	play dead	nod yes	epic entrance
turn right	boxing	act angry	celebrate a win
spin left	moonwalk	greet us	show off then rest
spin right	stretch	wave again	athletic routine
crawl forward	balance	act curious	dramatic performance
stop	recover	sniff around	invent a combo

Sequence Ideas (Chain Commands Together)

- **backflip then wave then sit** - Classic combo
- **jump spin left spin right rest** - Energetic sequence
- **stretch balance jump rest** - Athletic routine
- **walk forward then celebrate** - Victory march

Creative Prompts (Let the AI Be Creative)

- **entertain us** - Robot picks fun moves
- **make up a routine** - Creates custom sequence
- **show three tricks** - Demonstrates skills
- **act like you're celebrating** - Victory behavior
- **be dramatic** - Theatrical performance
